FABRIC

“Towards a bedsore-free world”

The **Pf** Fragile Skin Protection SystemTM

- **Reduces the damaging effect of shearing and friction on the skin**
- **Protects against pressure sores**
- **Cares for fragile skin**
- **Protects dressings from removal by friction**

“For one who spends nearly 24 hours a day in my armchair due to my disablement I would like to thank you for your product, this solves the biggest problem of inactivity, bed sores. I bought a pair of your undergarments, they were so good I bought 3 more pairs. As the advert says it does what it says on the tin. I haven't been so comfortable for years. Once again thanks.” *MR, Somerset*

- **Low coefficient of friction - Reduces skin friction & shear**
- **High tensile strength – Durable in use**
- **Washable at highest temperatures – Easy to keep clean and hygienic**
- **Breathable – Comfortable in use**
